ABHAY SINGH

SUMMARY

As a seasoned mechanical engineer transitioning into the IT sector with a focus on web development, I bring a robust foundation of problem-solving, analytical thinking, and attention to detail. My journey involves acquiring proficiency in key languages such as HTML, CSS, and JavaScript, complementing my existing skill set with new technological expertise. With a commitment to continual learning and a proactive approach to skill acquisition, I am poised to excel in a web developer role. My unique background in mechanical engineering adds a fresh perspective and a diverse skill set to the dynamic field of web development.
